NOVA FLAG FOUNDATION

Inspiring National Pride, One Flag at a Time

The Nova Flag Foundation is a visionary Corporate Social Responsibility (CSR) initiative passionately conceived and nurtured by our Managing Director, Sendhil Kumar. The objective is to foster patriotism by installing majestic 22-metre-high Indian flags across key locations in South India.

With every square foot we sell, we proudly contribute ₹10 per square foot towards this noble cause, ensuring that the Indian Tricolor stands tall in prominent public spaces. These towering flags serve as powerful symbols of unity, pride, and belonging, inspiring citizens and reminding us that our strength lies in our togetherness.

By championing this initiative, we celebrate the shared values that bind our diverse nation and reaffirm our commitment to keeping the Indian flag flying high with honor and dignity. Let's raise the flag and let its colors shine for generations to come!

A woman with long brown hair is lying in a blue hammock, smiling with her eyes closed and hands behind her head. She is wearing a white long-sleeved shirt and mustard-colored trousers. The background is a bright, sunlit outdoor area with green foliage.
